

Special Cow, Cow & Calf and Bred Heifer

SALE SATURDAY, MAY 27, 1978

1800 HEAD OF COWS NOW CONSIGNED - EXPECTING 2500 HEAD

CATTLEMEN'S COMMISSION COMPANY

BRADY, TEXAS - "Where the Big Boned Cattle Are."

Due to extreme dry weather across this area, we will have an extraordinary list of consignments for this special cow sale.

Our Consignments Include Several Complete Dispersals!

ALL COWS WILL BE BLOOD TESTED and THE DRY COWS PREGNANCY TESTED, AND CLEARED FOR OUT-OF-STATE SHIPMENT. ALL COWS WILL BE AGED. COMPLETELY MODERN FACILITIES - OVER 200 ACRES OF PENS & TRAPS

One complete ranch dispersal:

400 head of cows and 18 bulls consisting of 125 four and five year old Brangus cows calving now; 200 head of Hereford 4-5 year old cows part of which are Hereford-Limousin crosses, 60 percent colved out; 80 head of 4-5 year old Broford cows - All of these one brand!

150 Black Whitefaced cows and calves, one brand, calves weigh 250 pounds, have been worked. A strictly choice set of cows.

Another local ranch dispersal:

43 Angus cows and 18 bulls, calves weigh 200 pounds, strictly choice.

73 3-year-old Broford and Black Whitefaced Brahman cross cows, calves weigh 200 pounds. Also 5 bulls.

Many more smaller consignments of 20 to 40 head of Farmer or Rancher good young cows are not listed in the consignments above and we have more consignments coming in daily.

CONSIGNMENTS INCLUDE:

From another ranch:

20 20 Brangus 3-year-old cows and calves strictly choice

15 head of Brangus-Hereford crosses 3-year-old cows and calves

60 head of 3-year-old Broford cows and calves

Another ranch dispersal:

367 Hereford, Angus and Black Whitefaced 3, 4 and 5 year old cows with calves, to be sorted for color and size and sold in lots of 20 head.

40 head of 5-6 year old Black Whitefaced cows and calves.

MANY OF THESE CONSIGNMENTS WILL BE FRESH OFF THE RANCH AND NEVER BEFORE IN TOWN OR OFFERED FOR SALE.

BECAUSE OF THE EXTREME DRY CONDITIONS, MOST OF THE FARMERS AND RANCHERS WILL SELL THEIR BULLS ALONG WITH THE COWS. THIS IS A GOOD OPPORTUNITY TO BUY SOME GOOD, YOUNG REPLACEMENT COWS FROM OUR LOCAL RANCHES. ALL VETERINARY WORK, BLOOD TESTS AND PREGNANCY EXAMINATIONS

Stuph & Thangs

PHOOD FRIGHTERS FIND SUCKERS IN NEWS MEDIA

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday following week.

One of the wonders of this day and age is the fact that newspapers, T&V & Radio news people continue to be misled by almost any kind of hand-out from people with half-baked ideas and news to grind and they will splash almost any kind of story without giving a moment of thought to the source or trying to check out the facts. The average American has been terrorized, stampeded and thrown into turmoil by some of the silliest stuph ever recorded because the news purveyors figure if it is occasional or scary they will want to break the news and then explain how they were suckered in later with small stories related to set the record straight. Two perfect examples recently cropped up. The other day four Canadian doctors felt true that the Canadians are spookier than other doctors' anyhow. (CONT. ON PAGE 5)

Cowboy's Chores Become Popular Competitive Sport

Fort Worth - Rodeo - one of the fastest growing sports in America - is unique because it is an outgrowth of a cowboy's work-day chores. Sure, a lot of frills and show business have been added to appeal to a broader audience, but to the knowledgeable fan, the biggest drawing cards are the events which demonstrate a cowboy's skill at ranch-related work. Roping is one of these events, and 70 (CONT. ON PAGE 15)

4-H Roundup Presents "Cream of Crop"

College Station - It's that time again - State 4-H Roundup time. The event annually presents the "cream of the crop" among 4-H members throughout Texas. This year's Roundup will be held on the campus of Texas A&M University, June 8-11. Major events in Roundup include the State 4-H Food Show and competition (CONT. ON PAGE 15)

April Red Meat Production Off 4%

Washington, May 18 (USDA) - Commercial red meat production for the United States in April 1978 totaled 5.1 billion pounds, down 4% from April 1977, according to the Crop Reporting Board. January-April total red meat output at 12.7 billion pounds was 8% (CONT. ON PAGE 15)

NCA Recommends Counter-Cyclical Import Quotas

Washington - The National Cattle Association (NCA) today recommended a counter-cyclical approach to quotas under the Meat Import Act of 1964. This and other recommendations were made during a House Ways & Means subcommittee hearing on proposed changes in the law. Outlining NCA's proposals to the subcommittee on trade were Richard A. McDougal, Lovelock, Nev., president of the association, and Sam Washburn, Fowler, Ind., chairman of the NCA foreign trade committee. McDougal urged that Congress adopt the Beef and Veal Import Quota Act, which includes the counter-cyclical approach and which previously was passed by the Senate. He pointed out that counter-cyclical quotas formula would provide more stable supply and demand, even the length of the 10-year cattle cycle, benefiting both producers and consumers. Quotas would be in inverse proportion to domestic beef supplies - increasing when U.S. production was down and decreasing when production was cyclically large.

Feeders Mostly Steady, Hogs Sold Steady At Fort Worth

Special Cow, Cow & Calf and Bred Heifer SALE

Saturday, MAY 27, 1978 at the
CATTLEMEN'S COMMISSION CO.
Brady, Texas - "Where the Big Boned Cattle Are."
EXPECTING 3000 to 3500 HEAD

Due to our extremely dry conditions in this area, we will have an extraordinary list of consignments for this special cow sale. Because of the extreme dry conditions, most of the farmers and ranchers will sell their bulls along with their cows. This is a good opportunity to buy some good, young replacement cows straight from our local ranches. Our consignments include several Complete Dispersals.

CONSIGNMENTS INCLUDE

- ONE COMPLETE RANCH DISPERSAL:**
400 head of cows and 18 bulls consisting of 125 four and five year old Brangus cows calving now; 200 head of Hereford 4-5 year old cows part of which are Hereford-Lincoln crosses, 60 percent calved out; 80 head of 4-5 year old Braford cows — All of these one brand. Black Whiteface cows and calves, one brand, calves weigh 250 pounds, have been worked. A strictly choice set of cows.
- ANOTHER LOCAL RANCH DISPERSAL:**
43 Angus cows 4-5 years old, calves weigh 200 pounds, strictly choice.
73 3-year-old Braford and Black Whitehead Brahman cross cows, calves weigh 200 pounds, and 6 bulls.
- FROM ANOTHER RANCH:**
20 Brangus 3-year-old cows and calves, strictly choice. 60 head of 3-year-old Braford cows with calves.
15 Brangus-Hereford cross 3-year-old cows and calves.
- ANOTHER RANCH DISPERSAL:**
367 Hereford, Angus and Black Whitehead 2, 4 and 5 year old cows with calves, to be sorted for color and size and sold in lots of 20 head.
- OTHER CONSIGNMENTS:**
40 head of 5-6 year old Black Whitehead cows with calves. 60 White Brahman heifers, 600 pounds, open.
400 Braford heifers weighing 600 pounds, open. 70 Black Whitehead cows with calves, good ages.

MANY MORE SMALLER CONSIGNMENTS OF 20 TO 40 HEAD OF FARMER OR RANCHER GOOD YOUNG COWS NOT LISTED ABOVE. MORE CONSIGNMENTS COMING IN DAILY.

Neches River Sets Brahman Production Sale For June 9

Jacksonville, Texas — The First Neches River Ranch Gray Brahman Production Sale will be held Friday, June 9, 1978. Sale time is 1:00 p.m. at the ranch at Jacksonville, Texas.

Selling will be 100 Gray Brahman Females, all bred or with calves at side, including many three-in-one packages. These females are bred to JDH Hemmeltz, Manso 216/1, the top Neches River sire, or to Mr. Neches 40, a grandson of the great "229."

Also selling will be 25 herd bull prospects or top commercial bulls. The offering represents the results of many years of selection of top Brahman females and herd bulls to produce the best possible type of Brahman herd.

For information contact Neches River Ranch, Box 1108, Jacksonville, Texas 75768, Gerald Meyerdirk, Manager, 214/688-5675 home, or 214/688-2981 unit 2625 mobile; or the sale management, Watson Cattle

Brangus Days In The Hill Country Set At Kerrville For June 1-2-3

Kerrville, Texas — Brangus Days in the Hill Country with the Miss America and Western Art Sale, The 10th Annual Top of the Crop Sale, and Brink's Brangus 10th Anniversary Sale will be held June 1, 2 and 3, 1978.

The Miss America and Western Art Sale will be held Saturday, June 2, 1978 at Riverhill Country Club at Kerrville. Selling will be 10 of the best Brangus heifers ever offered at auction along with 25 works of art by the foremost names in the contemporary world of western art, sponsored by Texas Art Galleries.

The 10th Annual Top of the Crop Sale will be held Saturday, June 2, 1978 at 12:00 noon at the Riverhill Country Club with an offering of 60 top Brangus females and several herd bull prospects.

Brink's 10th Anniversary Brangus Sale will begin at 7:00 p.m., Saturday, June 2, 1978 at Brink's Airport Ranch, Service, Rt. 1, Box 91, Devine, Texas 78018, John Watson 512/662-2740, or Dean Blackwell 214/849-8864.

On June 3, a Champagne Band will set from 10:30 to 11:30 a.m. at the Top of the Crop Sale at 12:00 noon, the Cocktail Party at 4:00 p.m., Brink's Brangus at 6:00 p.m. and the TBA Summer Party at 8:00 p.m. at the Riverhill Country Club.

On June 3, a Champagne Band will set from 10:30 to 11:30 a.m. at the Top of the Crop Sale at 12:00 noon, the Cocktail Party at 4:00 p.m., Brink's Brangus at 6:00 p.m. and the TBA Summer Party at 8:00 p.m. at the Riverhill Country Club.

Hicks Red Brahman Sale Set For June 3 At Ranch at Alto

Alto, Texas — The 4th Annual Hicks Red Brahman Production Sale will be held Saturday, June 3, 1978. Lunch will be at 11:30 a.m. with the sale following at 12:30 p.m. at the ranch at Alto. Auctioneers will be Ike Hamilton and Stanley Stout.

Selling will be 110 head of Red Brahman females, bred or with calves at side by 783, 967 or Navagante, and open heifers. Included in the offering are 30 pairs, with some 3-in-1's, 50 bred cows, and 30 open heifers. There will be 80 Indu-Brazil cows, half of which are bred to Garcia Ranch Indu-Brazil bulls.

Sale headquarters will be the Holiday Inn at Jacksonville, Texas, 214/688-8841.

For information and catalogs contact Hicks Red Brahman, Rt. 2, Alto, Texas 75925 office 713/858-4419, Leo Hicks 858-4488, or A. J. Hicks 858-4228.

Farm Prices Defended
(CONT. FROM PAGE 1)

Next January, the inventory will be even lower. Hjord said, adding:

"At the same time, prices received by farmers for their beef averaged \$82.30 per hundredweight in 1978, \$82.70 per hundredweight in 1979, and \$84.50 per hundredweight in 1977."

"This record decline in inventory kept meat prices low, even though livestock producers have paid sharply higher prices for feed, fuel, machinery, and other inputs. And, if you add the severe droughts in the West and Southeast, producers had a doubly hard time. Comparing only cash out-of-pocket production costs of about \$40 per hundredweight for feeder cattle, the cow/calf operator and the commercial feeder in the Great Plains both have lost from \$8 to \$10 per hundredweight since 1976. It was not until early this year that prices rose above \$40 a hundred."

"As a result of this severe imbalance between production costs and prices received by producers, we've had the sharp decline in cattle inventory in history."

Hjord explained that there will likely be lower beef supplies for the next few years. "It appears that 1978 production will be about 8 percent less than 1977's 26 billion pounds, with more fed beef supplies and lower average beef slaughter. Prices in coming months and years are going to increase further, as a result of lower supplies, and the reasons this will happen must be understood by the consuming public."

Hjord's beef prices were down and some shook their heads like porcupine. Bob had taken leave of his senses. So much for economy. Sen. Teddy Kennedy proposed a new Government Agency called "Public Participation in Federal Agency Proceedings Act." This would finance expenses of anybody, yes, anybody, who wanted to interfere with hearings by regulatory bodies. Of course, what Kennedy apparently doesn't know is that Government bureaucrats are already doing this. For instance, when George Schultz appeared in favor of Carol Tucker Foreman's hearings on proposed new beef grades he admitted his office bought his ticket and it seems it was at the behest of Dr. Robert Angelotti, prime punter of this latest USDA nonsense — Thessall, Brother!

Brink's Brangus 10th Anniversary Sale Set June 3

Glenn and L. D. "Brink" Brinkman of Brink's Breeding Corporation, Kerrville, Texas, announce their 10th Anniversary Sale, Saturday, June 3 at Brink's Airport Ranch in Kerrville.

Eleven hard bred and show prospects will sell. These eleven bulls are sons of the 1974, 1975, 1976 and 1977 Internationals and the government.

"The prices that farmers are now getting are essential to cover rising feed costs, the losses incurred in the last three years, and herd replacement. Prices will likely have to continue to rise to reverse the liquidation cycle."

"Food costs are likely to average six to eight percent higher in 1978. Ten percent of this increase will be the result of imported foods — sugar and coffee — and fish," Hjord stated.

"About half of the increase will be the result of increases in the farm value of food, while about 40 percent of the overall increase will be because of increased marketing costs — wages and executive salaries, packaging, and transportation."

"For the second consecutive year, the wages and executive salaries component — the labor bill — of these marketing costs after the food leaves the farm will exceed the total farm value of that food. For 1978, we're forecasting that the increase in the farm value of food will be about \$4 billion, the first significant gain in farm prices since 1974. Nonfarm marketing costs will double this amount and add about \$9 billion to retail food costs this year."

"Even though American consumers will probably pay over \$100 billion for food in 1978, the farmers share of the food dollar will be only 82 cents. The marketing costs for food after it leaves the farm gate will exceed \$810 billion — that's 88 cents of each food dollar."

"I think everyone should recognize that increased prices to livestock producers make only a small contribution to rising retail food costs. The food industry is highly complex, and within that industry, livestock producers have been the real losers for the past three years, not the big winners. They should not become the scapegoat today," Hjord concluded.

International Grand Champions and General (GB) the sire of Champions. Two of these bulls already are winners in shows. L. A. General is the calf champion both at 1977 Dallas State Fair and 1977 National Show, and Chairman, class winner and 1978 Reserve Calf Champion at the Internationals — Houston. All eleven of these bulls have an average of 600 lbs. 205 day weight and an excess of 1100 lbs. 365 day weight.

Included in the sale are thirty-six yearling and two year old heifers, daughters of outstanding bulls such as the 1976 International Grand Champion, Titan, General (CMS), Hopi, Elephant and Beacon. Selected for the Brangus Breeder who wants the best then heifers come from the top 50% of Brink's heifers calf crop. Many will be sired in calf to outstanding herd sires such as Rommel, 1977 National Champion Bull and 1977 International Grand Champion Bull WSR Cloud 942.

For the first time, Brink's will be selling shares for embryo transplant in four of their top females. Three of the four will be shown in the Futurity before the sale, two of them are already Internationals and National Brangus Champions. Included in the dam of Rommel who recently had eight calves via embryo transplant. They will be on display sale day.

Music will be furnished also day by Rod Stengoll's Coleman County Cowboys. Brink's will serve dinner at 6 p.m. and the sale starts at 7 p.m. The Brink's sale will climax a full weekend of Brangus activities in the Hill Country, including the Miss America and Western Art Sale, the Top of the Crop and the International Brangus Futurity.

Contact Glenn Brinkman, Box 1847, Kerrville, Texas for any information about Brink's sale. Glenn's office number is (512) 857-4288 and his home number is (512) 896-8868.

NECHES RIVER RANCH

FIRST PRODUCTION SALE

At the ranch
June 9, 1978
1:00 P.M.

(CONT. FROM PAGE 1)

these fellows warned that a lady had a violent allergic reaction to a substance called gum tragacanth and warned one and all to beware of the sauce put on hamburgers by a big hamburger chain because it contained gum tragacanth. So what? The FDA says this substance is used freely in baked goods, rubbers, meat products, gravies, juices and processed fruits without complaint. The facts are that some people get equally violent allergic reaction from milk, eggs, pepper, strawberries and thousands of things. It just happened this unfortunate lady is allergic to a substance which is allergic to everyone else consumes with comfort and without relief. So what? But it made headlines and probably hurt that hamburger chain in the process for no useful reason at all. Then comes one known as Dr. Barry Commoner, a notorious consumer advocate agitator. His claim to fame is that he works for the Washington University Center for the Biology of Natural Substances in St. Louis. Commoner claimed that trying hamburger produced mutations if done at high heat. He warned that this circumstance MIGHT indicate that hamburgers so cooked MAY cause cancer. The news media grabbed this sucker pith and ran with it full speed. They never bothered to find out that Dr. Commoner released his theory prematurely, in order to sucker the news people into giving him a Big Play prior to his presentation of his paper at the American Society of Microbiology at Las Vegas. Before this body his wild guesses would probably get the lack of attention they deserved, so he tricked the news people into giving him national publicity and a promisee undeserved.

Allan Grant, president of American Farm Bureau called Dr. Commoner's essay a "cheap shot," which is certainly better than it deserved. The National Livestock and Meat Board pointed out that the Commoner's tests proved nothing of the kind and pointed out that the incidence of cancer, except lung cancer, has either been decreasing or showing little change over the past 25 years and that during this period the ingestion of hamburgers and other beef has reached record proportions and added them had been no scientific study to support Commoner's theory, no tests, no nothing. Just a wild guess that was good for publicity and nothing else.

Ho, hummy, hum! Remember all that poppycock the Phood Phighers put out about how deadly fluoridation of water to prevent tooth decay. The results? The study proved that "there was no evidence that fluoridation does ANY harm."

So, we will continue to enjoy hamburgers, bread with gum tragacanth and washed down with fluoridated water and anxiously await the next Doomsday announcement from the Phood Phighers with the same fear and trembling as tomorrow's comic strips.

Ever this.

P.S. Uncle Dunk says if you think Congress is interested in least bit in budget control, just remember what happened to Texas Congressman Bob Krueger's proposal that a 2% across the board cut be made in the Budget, except defense spending, agriculture and

HICKS RED BRAHMAN'S

OFFERING:
110 FEMALES
(Bred or with Calves at Side by 783, 967 or Navagante)

30 PAIRS
(Some 3-in-1 Packages)

50 BRED COWS

30 OPEN HEIFERS
Included in this offering are thirty Indu-Brazil cows, half of which are bred to Garcia Ranch Indu-Brazil Bulls.

10 HERD SIRE PROSPECTS

For the past ten years, our goal has been to assemble one of the top herds of CYR cattle in the business. Most of our foundation cows were purchased from the Cherokee Ranch and with the help of such bulls as 783 and 967, we feel we have achieved one of the high quality registered herds of Red Brahman cattle.

Please join us on June 3 for our fourth annual production sale. We think you will like the offering.

In the last two years, purchases of heifers and bulls for Nigeria have been made by Dr. Eboigbo. He testifies that the Pinzgauer does well, even in this extreme climate. He will speak to the Pinzgauer breeders at

Pinzgauer Field Days July 19-22 Across The U.S.

At least 250 guests, including 70 from overseas, are expected to attend three international Pinzgauer Field Days across the United States July 19, 21 and 22, which follows the Fourth International Pinzgauer Congress in Calgary, Alta., Canada, July 18 to 17, according to Kermit Gardner, East Point, Ga., president of American Pinzgauer Assn. The July 19 Field Day will be held at Wyoming Pinzgauer Ranch, Sheridan,

Wyo. July 19, and at the David Bradley Farm, Pinzgauer Field Day, Gallatin, Tenn., July 22, 1978.

According to Joe Fletcher, Chairman of the United States Tour, A preliminary part of this very educational field day will be a tour of Bob Mook's Farm, which time to examine all the percentage and pureblood Pinzgauer cattle there, before going to Lance Fletcher's to see the extensive work that Fletcher has done with on-farm testing of Pinzgauer cattle. Steers will be shown sorted into pairs by sire. These steers will have just completed a 140-day feedlot test.

A supervised test completed recently proved Pinzgauer do extremely well in the feedlot. A group of 98 head finished with a 5.58-pound per day average gain with a feed conversion of 7.59

Dr. Gerhard Holz, second from left, General Manager of the International Pinzgauer Cattle Breeding Assn., Salzburg, Austria, will be speaker at the American Pinzgauer Assn. field days at Sheridan, Wyo., July 19, Clay Center, Neb., July 21, and Gallatin, Tenn., July 22. Austria was the original breeding grounds of Pinzgauer.

pounds food for one pound gain, and an average feedlot cost of 30 cents per pound of gain, which includes all feedlot costs, not just feed costs.

Other U.S. Field Days will be at the USDA Meat Animal Research Center, Clay Center, Neb., on July 21, where a unique opportunity will be offered for Pinzgauer breeders to review the work being carried on at the research station using Pinzgauer cattle in cross breeding experiments, says Allen Larson, St. Louis, Mo., chairman of this Field Day.

Dr. Larry V. Cundiff, geneticist research leader at the test center, will moderate a panel of animal scientists who will explain the various experimental projects in progress or completed using Pinzgauer cattle. They will also explain the goals of the Research Center and how they plan to use Pinzgauer in the future. Cattlemen will

On July 19, at Wyoming Pinzgauer Ranch, Sheridan, July 21 at the USDA Meat Animal Research Center, Clay Center, Neb., and July 22 at Red River Farms, Gallatin, Tenn., of American Pinzgauer Association Field Days at the three places, Stedler Sebastian of St. Johann in Pongau, Austria, an enthusiastic Pinzgauer breeder, will be one of several noted speakers from the U.S., Canada and several foreign countries. He is shown with the well-known Pinzgauer bull "Aktiv", above, in Austria.

have an opportunity to ask questions about the cattle operations here and how results can be implemented at home.

Red River Farms, Gallatin, Tenn., will be the site of the third International Pinzgauer Field Day on July 22. Gardner said James Womack, Gallatin, chairman of this field day, said this will be the last opportunity for breeders in the United States to visit with some 70 overseas Pinzgauer breeders during the tour. He says visitors are expected from all over the U.S. and Canada, as well as Europe, Africa, and Central and South America. Dr. Gerhard Holz, Executive Secretary of the International Pinzgauer Cattle Breeders Association, Salzburg, Austria, will be the principle

Pinzgauer Show And Sale Set At Shreveport

Shreveport, La. — The Southwestern Pinzgauer Association has announced plans for the First Pinzgauer Show and Sale to be held during the Louisiana State Fair at Shreveport.

The show and judging will begin at 10:00 a.m., Thursday, October 26, 1978 with the sale set for 7:00 p.m., Saturday, October 28. Cattle may move in October 24 and 26.

Further details of the show and sale will be announced when they are finalized.

Red River Farms, owned by David Bradley, is the largest Pinzgauer breeder in the U.S.

The Southwestern Pinzgauer Assn. annual meeting will be at 10 a.m. July 22, at Red River Farms to conclude with this Field Day, according to J.D. Goodner, Lebanon, Tenn., president. For further information on the International Congress or field days, contact Emmett N. Carter, Executive Secretary, American Pinzgauer Assn., 2029 Industrial Blvd., Norman, Okla. 73069, phone 405/264-0780.

"Investigation brought out the fact that the army beef contract for the year 1968 for Fort Sam Houston in San Antonio, calls for chilled beef at the lowest cost of any post in the United States. The cost per pound is 44¢," Livestock Reporter, February 1968.

NCA Taskforce Cites Benefits From 2,4,5-T, Unfounded Attacks

In a statement prepared by a special taskforce committee, the National Cattlemen's Association has expressed strong opposition to the removal or restriction of the herbicide 2,4,5-T for any of its currently registered uses.

The report pointed to the highly beneficial use of 2,4,5-T in terms of energy, labor and capital savings where dense brush and weeds threaten present and future productivity.

The official industry position will be presented to the Environmental Protection Agency during the Rebuttable Presumption Against Registration process, which ends July 5. Supporting scientific data will also be forwarded to the EPA for review.

The special taskforce, which included scientists as well as cattlemen, was called together by Bill Krejci, Fairmont, Neb., chairman of NCA's environmental management committee. The group's work was coordinated by D. B. Polk, state resource conservationist with the Soil Conservation Service in Texas. Members of the taskforce included: John Matthews, Ahlone, Tex.; Dr. W. J. Duhj Waldrup, Lubbock, Tex., chairman of the NCA research committee; John Murrill, Groveland, Tex.; Gary K. Westmorland, Casper, Wyo.; Jerry Schickelanz, New Mexico State University; Dr. Boyelo E. Day, University of California, Berkeley; and Bob Elmer, Tulare, Tex., vice chairman of NCA's environmental management committee.

During a recent meeting in Denver, the taskforce members said that as a result of inaccurate and one-sided news coverage, the use of 2,4,5-T has become highly charged emotional issue. Many environmental groups have charged that the use of the herbicide creates a health hazard to human and animal life. The group refuted such claims by pointing to the vast body of scientific research which clearly shows that the herbicide: 1) Does not accumulate in the environment; 2) Does not cause rapidly following application; 3) Is bene-

BE SURE TO ATTEND Southwest Region CHIANINA FIELD DAY June 16-17 In Fort Worth, Texas

Southwest Chianina Field Day Set Saturday, June 17

The Southwest Region has planned a full day's schedule for their Chianina field day Saturday, June 17, 1978 in Fort Worth, Texas. The field day activities really begin the evening of June 16 with a Southwest Region Chianina meeting at the Fort Worth Hilton Inn. Following the 8:00 p.m. meeting, there will be a Chianina type demonstration conducted by Bert Glass and Jerry Glass. The field day activities will begin at 8:00 a.m. at Sara 8 on the Southwest Regional Exposition and Fair Stock Show grounds with a welcome from Regional President Conde Richards followed by a presentation by John Cagle and Bert Glass on the selection and judging of Chianina. From 9:00 a.m. to 11:00 a.m. a judging contest will be held. There will be a division for both juniors (4-H and FFA individuals and teams) and adults. Classes of full blood and percentage Chianina bulls and females will be judged by the contestants. After the judging contest, the adults will participate in a demonstration given by John Cagle and Rick Veneble on the proper presentation of Chianina to

improve merchandising. The juniors will meet to make plans for a Southwest Region Junior Chianina Association. A catered lunch will be served following the morning meetings. The afternoon program will begin with more demonstrations on the proper presentation of Chianina highlighted by a question and answer session. The junior members will formally organize the Southwest Region Junior Chianina Association and elect their first officers. At 2:30 p.m. all the judging contest winners will be announced along with a discussion by the official judges of their placements. Attractive trophies will be presented to winners in the judging contest. As an added attraction, the high individual in the junior division will be awarded a high quality three-quarter Chianina bull. A cocktail party will be held at the Fort Worth Hilton Inn from 8:00 - 9:00 p.m. preceding the Southwest Region Chianina field day. This fund-raising sale, "Saturday Night Fever," will be held at 8:00 p.m. at Sara 8 on the Southwest Regional Exposition fair grounds. Approximately 80 Chianina plus numerous other donated items will be sold. All of the proceeds will go into the Southwest Region treasury for use as promotional funds.

Western Kansas Feedlot Sales Continue High

Dodge City, May 18 (USDA) - Slaughter steers and heifers 2,600-3,000 head, Feedlots remained very quiet. Several pens of steers and heifers that were scheduled to be offered for sale next week. The average weight of cattle and number of days on feed continues to edge downward. The average number of cattle confirmed for the first 20 weeks in 1978 has been 41,400 head, compared with 37,500 for the first 20 weeks a year ago in Western Kansas. Sales confirmed from Friday thru Thursday of this week on 81,200 slaughter steers and 14,100 slaughter heifers for a total of 45,300 head, compared with 31,000 last week and 30,000 a year ago.

National Western Stock Show Adds An Extra Day

Denver - One day was added to the 1978 National Western Stock Show which will run January 11 to 20, and Kenneth R. Hartman, Longmont, Co., is the National Western's new livestock superintendent. It was announced at the 78th Annual Meeting of the Show's members and directors here, May 13. The Show will open January 11, when Junior Steer judging will

Texas Chianina Bull Feed Test, Sale Scheduled

The Texas Chianina Association will sponsor its second Chianina Bull Feed Test November 5, 1978 in the San Antonio, Texas area. All members of the Texas Chianina Association are eligible to nominate bulls for this sale. All the Chianina bulls nominated for this sale must participate in a feed test in order to be eligible to sell. The Chianina Bulls eligible for nomination must be at least 50 per cent Chianina and be from 18-30 months of age at sale time.

The Chianina bulls will be fed at the Camanada Ranch Feedlot in Gonzales, Texas. The bulls must be delivered to the feed lot from June 19-24. The feed test will begin with the weighing of bulls on June 25. Important performance records such as average daily gain and feed efficiency will be collected on the bulls. These records will be utilized to promote the performance of Chianina bulls. Following the feed test the bulls will be scanned for quality with only the very best bulls accepted for the Texas Chianina Bull Sale. The Texas Chianina Bull Sale will be commercially oriented with the bulls presented in proper condition to attract directly into large commercial cattle herds in Texas and the Southwest. For further information concerning the Texas Chianina Bull Sale contact Texas Chianina Association President, Brian Kassar, 8701 Lexington Road, Austin, Texas 78781, phone (512) 483-8700.

Webb Elected To Head Arizona Show

James M. Webb of Phoenix was elected to fill second term as president of the Arizona National Livestock Show at the Association's annual meeting Friday, April 28, 1978 in Phoenix. Other officers elected at the meeting were R. Gene Sparks of Tucson, re-elected as first vice president, Dr. Frank C. (Tohy) Armer of Phoenix, as second vice president, Richard C. Johns of Glendale, as secretary, and Michael S. Milroy was re-elected as treasurer.

SBA Offers Disaster Loans To Farmers

On April 11, 1978, 102 Texas counties were declared as disaster areas by A. Veron Weaver, Administrator of the Small Business Administration. Most counties were declared because of extreme drought conditions, but other reasons include hail, high winds, and excessive rainfall. A disaster declaration automatically activates SBA's Farm Disaster Loan Program. Farmers and ranchers in the declared counties and the 82 adjacent counties who were adversely affected by these disaster conditions may be eligible for low-interest SBA loans. These loans are available for losses not already covered by insurance or AISC disaster or deficiency payments. The following formula is used by SBA in calculating the amount of eligible loss on a farm or ranch: Planned x Established Normal Yield x Percentage of Loss x Market Price = Recovery equals Eligible Loss. Interest rates on Small Business Administration Physical Disaster Loans for businesses are 6% for the first \$250,000 and 8 1/2% for any remaining amount; with a maximum of \$600,000. Loans are based on the ability to repay and have a maximum maturity of 30 years, although the average maturity is 5-7 years.

Up to 50% of the eligible loss amount may be used to pay outstanding obligations and for reasonable operating expenses including living expenses. The balance must be held for production costs in the next crop year. Texas farmers and ranchers who suffered drought damage in 1977 should contact the nearest Small Business Administration office for additional information. SBA locations include Dallas, San Antonio, Lubbock, Amarillo and Houston.

Upcoming Chianina Sales

October 18 - Southwest Region Chianina Show, State Fair at Texas, Dallas.
Nov. 15 - ACA National Junior Heifer Show, Louisville, Ky.
Nov. 18 - ACA National Open Show, Louisville, Ky.

Farmer Cooperative Business Volume Declined in 1976

Washington - The volume of business done by farmer cooperatives dropped to \$40.1 billion in fiscal year 1976, the first such decline in more than 20 years. The dollar volume figure was down 8.1 percent from the preceding year's total of \$43.1 billion - which itself is a revised figure. The volume figure does not include business between cooperatives. Continuing a long trend, numbers of cooperatives and cooperative membership also declined, according to preliminary figures from an annual statistical report prepared by the U.S. Department of Agriculture's Economics, Statistics, and Cooperatives Service.

BOTTOMLESS STOCK TANKS

THE WORLD'S FINEST GALVANIZED BOTTOMLESS STOCK TANKS AT PRICES THAT ARE UNBEATABLE ANYWHERE! Your choice of two different gauges. New, extra-heavy, copper-bearing, galvanized steel, bottomless stock tanks, all punched and ready for assembly. Complete with bolts, nuts and gasket sealant. Available in heavy 12 gauge and super heavy 10 gauge thickness. Keep in mind that both 10 gauge and 12 gauge are heavier than 16 gauge. In fact, 10 gauge is between 1/4-inch and 3/8-inch thick. The tanks are made of such rigid material, no top rim is necessary. All tanks meet or exceed government specifications.

Texas Angus Field Day on Wheels Set July 7 Through 9

Texas Angus Assn. is extending an invitation to everyone to its Field Day on Wheels July 7-9 in the Central Texas Hill Country.

The field day begins at 10 a.m. to 2 p.m. at the tour headquarters, Kerrville's Holiday Inn, with registration. At 2 p.m. that day, the tour departs by chartered bus and goes to Brink's Cattle Co. at Potosi where they will tour the ranch facilities and hear a presentation on "Embryo Transplants" by Dr. Joe Wright. The evening meal will be served by Brink's Cattle Co. at 7 p.m. and the buses return to the Holiday Inn after the meal.

On Saturday, July 8, tour visitors will have two options to go by bus at 8 a.m. to the Kerrville USDA facilities for a program on the latest developments in livestock parasite research; 10 a.m. to 4:30 p.m. tour promotes beef cattle operations in the area with speakers served on the buses, return to the hotel at 4:30 p.m. for rest followed by an open-air production of "South Pacific" at Ingram. Or the tourist may opt to visit the Jones Avery Jewelry Co. in Fredericksburg by bus leaving at 8:45 a.m. July 8, then go on a tour of beautiful old mansions in the area most of the rest of the day.

On Sunday, July 9 a Sunday morning devotion will be held at the headquarters at 8 a.m., breakfast buffet at 8:30 a.m., then at 9:30 a.m. the general session with a sweetheart cocktail.

presentation of scholarships, and a Ladies Auxiliary auction sale; directors meeting at 10:30 a.m., and open membership meeting of the auxiliary. Cost for the chartered buses and meals is \$25 per person. Deadline for making room reservations at the Holiday Inn is May 20. For reservations contact the Texas Angus Assn., 109 Livestock Exchange Bldg., Fort Worth, Texas 76108, phone 817/625-2763.

Mid-Tex Angus All Female Sale June 3 in Fort Worth

Fort Worth — The Mid-Tex Angus Association's All-Female Sale will be a big event for Angus breeders to keep in mind for replacement needs on Saturday, June 3, beginning at 12:30 p.m. in Barn No. 6 in the Fort Worth Stock Show Grounds.

All females in the offering will have been carefully screened. There will be open heifers, bred heifers and cow-calf pairs. The sale management is by Texas Angus Association, 109 Livestock Exchange Building, Fort Worth, Texas 76106, phone 817/625-2763. For further information contact Lowell Lannon, home phone 817/627-8888, or office 817/285-1851.

The great American dream was working fine until they woke up to politicians in Washington.

June 23-24 Deadline For Angus Bull Test At ACU's Allen Farm

Ahlene, Texas — Ahlene Christian University's Allen Farm will be the site of the Texas Angus Association's Contemporary Bull Development Program and Top Cut bull sale this year.

Robert R. Petty Jr., Nolan, test chairman, said the development programs will consist of a 20-day warm up and 140-day gain period. Delivery dates for senior bulls, born on or between Oct. 1 and Nov. 15, 1977, and September bulls not eligible for the top cut sale, are to be delivered to the test station June 23 and 24. Junior bulls born between Nov. 18 and Dec. 31, 1977, are to be delivered July 21 and 22. The tests are open to all members of Texas Angus Assn.

The bull tests are to provide a reliable means to compare similar-aged bulls and identify superior seed stock.

Angus Queen Contest Deadline Is May 30

All female Junior Texas Angus Association members between 18 and 19 years have been invited to enter the TAA's queen contest.

The Miss Texas Angus contest will be held during the association's "Field Day on Wheels" July 7, 8 and 9. Entrants must send a picture, information on participation in 4-H or Junior Angus Association activities, a page for the beef cattle industry, and the test sales to distribute superior seed stock to both registered and commercial breeders.

All bulls nominated for the tests must have a readable tattoo and be eligible for registration with the American Angus Association.

For further information contact Texas Angus Assn., 109 Livestock Exchange Building, Fort Worth, Texas 76108, phone 817/625-2763.

listing church, school and community activities; and a 200 to 300 word essay on what Angus cattle means to the individual. This information should be sent to Mrs. Jerry Williams, Route 1, Leekney, Texas 79241, phone 805/293-1091.

Deadline for entry is May 30. Duties of the queen include appearing at state Angus shows and sales in Dallas, Fort Worth, San Antonio and Houston, and TAA annual banquet, at other state events such as field days, tours or other shows sponsored by the state association.

Sue Morris is the present queen.

Hides & Offal
Princeton, N.J., May 18 (USDA) — The value of hide and offal from the average 1,000-pound slaughter steer for the week ending 5-19-78 was estimated at \$5.21 per 100 pounds live weight compared with \$5.06 the previous week and \$4.70 a year ago.

Tom Burke, Chairman, and Joe Bill Montgomery, Manager of the 1978 All-American Angus Breeders' Futurity, have announced that Dr. Earl Butz, former Secretary of Agriculture under President Ford and Nixon, and Assistant Secretary of Agriculture under President Eisenhower, has consented to deliver the keynote address at the 1978 Futurity Noon Luncheon scheduled Monday, August 7 at the Kentucky Fair and Exposition Center, Louisville, Ky.

San Angelo Feeder Schedule Announced

The San Angelo Feeder Calf Sales for 1978 will start June 5. There will be ten of these sales that are co-sponsored by The Texas Angus Association, Onecho Herdbook Association, and Producers Livestock Auction Co. A total of 58,017 head were sold in these sales in 1977. Calves will be shown and judged in pens of 10 - 20 - and 40. Both ribbons and prizes will be given for heifers and steers for the Grand and Reserve Champions.

Oklahoma City Feeders Steady

Oklahoma City, May 22 (USDA) - Receipts 8,000. Slaughter cows mostly 100 lower; bulls aser steady. Cows: Utility and commercial 88.00-99.00, high dressing 40.50-42.00, Cutter 32.00-38.00, Canner and low cutter 30.00-32.00. Bull: Yield grade 1-2 1000-1500 lbs. 46.00-48.50. Good and choice replacement 50.50-51.25, good and choice cows with calves at side 80.00-100.00.

Hub of Texas Angus Avg. \$632

Waco - The Hub of Texas Angus Association's all-female sale at the Heart of Texas Fair Grounds here May 16 grossed \$24,855 on 89 lots for an average of \$632. The sale was managed by the Texas Angus Assn. with John Brandon, Stephenville, as Auctioneer. The sale was topped by O. W. Noland, Sugar Land, who purchased a cow with heifer calf at side consigned by Lloyd & Doris Warren, Waco, for \$1025.

Plum Creek Ranch, Fairfield, was a major buyer, taking six lots in a range of \$400 to \$900. Pecan Valley Ranch at Morie, O. W. Noland; L. F. Greenwood, Whitney; and Tom Perry, Rockdale, were other volume buyers.

per pair; few good to low choice 2-3 963-1075 lbs. slaughter steers 82.25-84.80; package good to mostly choice 2-6 981 lbs. slaughter heifers 80.75.

Feeder cattle and calves steady. Palo Pinto Cattle Co. Simmental Sale June 10, Ft. Worth

Fort Worth - R. R. "Dick" and Carol Carey, owners of Palo Pinto Cattle Co., Simmental breeders, and guest consignors, Dale West's M&W Simmentals, Mineral Wells, will host a "Cattleman's Choice" Simmental production sale in Barn No. 6 at the Fort Worth Stock Show grounds here June 10.

Highlighting the offering of 80 lots will be twin purebred half calves out of Boni, a cow with calf at side for which \$79,000 was paid in the 1978 Pan American Simmental Sale at Dallas. These outstanding twin heifers are by Extra. There will also be polled purebloods including a set of polled twin heifers by Beat; several bred fullblood females; one fullblood bull; pureblood pairs; three-quarter pairs; bred and open three-quarter females; cows with Brahmental calves at side; and 10 of the very best halfblood cows out of a herd of 200 head, all with exceptionally high performance indexes.

The offering features amongst its reference sires some of the most popular bulls of the breed such as Bismark, Signal, Bent, Abricot, Extra and other top sires. Carey said that he recently weighed the mature females in his herd and the weights ranged from 1200 to 1400 pounds per animal.

A pre-sale party will be held at the sale site Friday night, May 26, from 8 to 12 p.m. with free refreshments, food and drinks, and music to dance to by the Campbell Family Express band.

There is a 2700-foot sod landing strip at the sale site for private planes. Sale headquarters will be the Starlite Inn at Decatur, phone 817/827-2184. Sale day phone will be 817/827-2814.

Auctioneer will be Joe Mitcham, Hubbard.

For information and catalogs contact either Jim Leath, Box 262, Decatur, Texas 76231, phone 817/827-2897, or Myrt Vitlow, Rt. 1, Box 228, Decatur, Texas 76234, phone 817/827-2814.

1st All-Polled Sale Of Simmentals Set At Ft. Worth Show

The first all-polled purebred Simmental sale in the U.S. will be held Feb. 8, 1979 at the Fort Worth Southwestern Exposition & Fair Stock Show.

John B. Collier IV, secretary of the sponsoring Texas Simmental Assn., said only the top 50 Polled purebred Simmentals nominated from across the country will be accepted for sale.

MERRICK COW SETS WORLD RECORD AT RIO VISTA FARMS

Eighty-three pregnancies from one cow in 10 months. That's the new world record that has been set by a Simmental cow at Rio Vista Farms, Rt. 2, Bent Park, General Manager of Rio Vista, one of the largest embryo transfer centers in the nation, reports (CONT. ON PAGE 14)

These are two bred purebred heifers which Dick and Carol Carey will include in their 80-head offering on June 10 at the Fort Worth Stock Show Barn 6.

Calves that gain 100 pounds a month on their dams are typical of the Palo Pinto Cattle Co. Simmental herd owned by Mineral Wells.

Most of the mature cows in the Palo Pinto Cattle Co. Simmental herd weigh from 1200 to 1400 pounds, such as this one with a heifer calf that will be in the June 10 sale at Fort Worth.

Carey, a pioneer Simmental breeder and member of a family who have been in the Hereford and commercial cattle business in Palo Pinto and nearby counties all of his life, said his sale offering includes only one bull, a pureblood, because he has been so successful in selling his other breeding-age percentage and purebred bulls this year. "I sold 50 bulls in one month's time at private treaty on a classified ad in the Weekly Livestock Reporter," he added.

"The Simmental breed has advanced to the stage now where there are enough American purebreds and fullbloods available to provide buyers the opportunity to select for quality at real-

istic prices, and buy females which can reasonably be expected to return their cost and upkeep in a couple of years... and with that in mind I'm putting only cattle in the sale that I'd buy if they were in someone else's sale," he said. "With all percentages and purebloods, polled, horned and even some Brahmental cattle, I believe there will be something that will work well in any kind of a breeding program, even a commercial operation," he added.

Dick and Carol will host a pre-sale hospitality suite at 7:30 p.m., Friday, June 9, at the sale headquarters, the Hilton Inn in Fort Worth, phone 817/569-3822.

We try to teach our children to live within their income and elect politicians to spend us into the poor house.

MERRICK COW SETS WORLD RECORD AT RIO VISTA FARMS

(CONT. FROM PAGE 13)

that Castillo 160, a four-year-old pure-blood, produced a record 114 fertile eggs in only seven insemination procedures resulting in 83 confirmed pregnancies. That's a surprising 78 percent success rate. The cow was bred to Extra to calve naturally on February 26. She has been examined safe in calf.

Both the number of fertile embryos and confirmed safe pregnancies is a record for an individual animal in any breed in a 12 month period. Dr. Perry said that the cow has received normal handling while in the program. He stated that because the flushing or transfer procedure to remove the fertile embryos is non-surgical, the cow could continue to be in the program indefinitely. He added that she would be bred during her next heat period.

Dr. Perry commented on the impact this cow will have on the Simmental breed. "Morn will be known about this cow's performance and production capabilities then any other female in the history of the cattle business because of the number of offspring she has produced and the number of bulls she was bred to." "She is a very good cow, typical of all the cattle Merrick has in her program, and she certainly deserves to be in a transfer program," he added.

Ward Merrick III, owner and operator of Merrick Farms, said the cow, Castillo 160, typified the kind of cattle that Merrick Farms has been striving to develop. "She is an outstanding Simmental female, there's no argument about that, but she also has the

ET Simmental Sale Avg. \$976

Henderson - The East Texas Simmental Association's second annual sale here April 22 grossed \$75,185 on 77 lots for an average of \$976. Joe Mitcham, Hubbard, was auctioneer.

Exciting News About Rio Vista Futurity

Starting with the 1978 Futurity, there will be two additional classes. In order to give our clients and fellow Simmental breeders an even better showcase for their outstanding cattle, we will be adding a get-of-sire class and a produce-of-dam class.

We expect that these classes will become the two most prestigious classes in the Futurity. There will be elegant trophies for each class and there will be no additional entry fees required.

The get-of-sire class entries must be four animals in the Futurity sired by one bull. These animals may be of any age and of either sex. They do not have to have the same owner.

The produce of dam class entries must be four animals in the Futurity produced by one dam. These animals may be of any age and of either sex. They do not have to have the same owner.

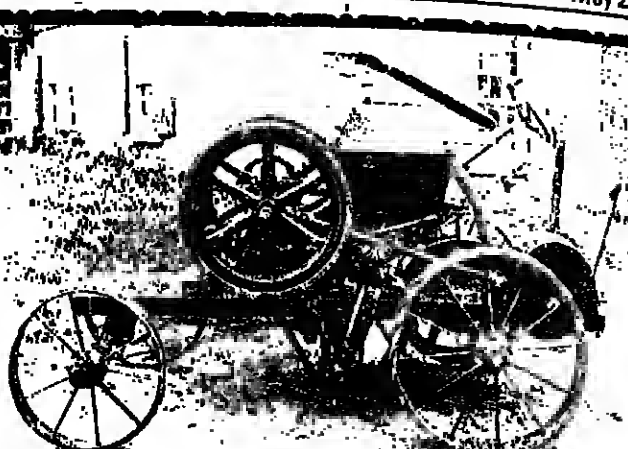

Eastern Kansas Directs

Wichita, May 16 (USDA) - Slaughter steers 1.00-8.00 higher. Slaughter heifers 1.50-2.00 higher. Steers 5.20: Pen high choice and prime 4-5 1160 lbs. 80.00. Choice 2-4 mostly 3 1060-1160 lbs. late last week 55.50-56.00, this week 57.00-58.50. Mostly choice and of good 2-3 67.00-67.50. Heifers 2.65: Choice 2-3 900-1000 lbs. 54.00-55.00. Mostly choice end of good 2-3 925-1000 lbs. 53.00-54.00. Cows with few commercial 3-4 350-1000 lbs. 50.00. Feeder steers and heifers mostly steady in country trading. Sales confirmed this week on 2,076 feeder steers late May to middle October delivery 725-850 lbs. 55.00-57.00. Heifer Choice July 688-650 lbs. 56.00; October-September 60.00-61.00.

The large crowd present included many active bidders and 38 different buyers.

Volume buyers were Cedar Creek Farms, Mabank; Walter Drew, Houston; Elton Sorensen, Marksville, La.; Circle B Ranch, Dallas; and Don Maple, Pittsburgh.

Cedar Creek Farm topped the sale with purchase of a fullblood cow with fullblood heifer calf at side for \$8000. Cedar Creek also bought a fullblood cow with fullblood bull calf at side for \$3400. The heifer pair was consigned by Dr. Eddie Clayton and the bull calf pair by S Bar W Ranch. P Bar C Ranch, Mt. Pleasant, bought a fullblood bull consigned by S Bar W Ranch for \$2850. Jack Walling, Hubbard, bought a 16/16 purebred Polled Simmental bull for \$2800 that was consigned by Cro-Tex Enterprises.

Mid-Coast Santa Gertrudis Sale At Brenham June 10

Brenham, Texas - The 11th annual Mid-Coast Santa Gertrudis sale will be held beginning at 12 noon, Saturday, June 10, at Brenham Stockyards here.

The offering of a large selection of quality Santa Gertrudis, the maternal breed, includes bulls, pairs and bred higher weaning weights, that will work for the commercial cowman as well as the purebred breeder.

Sale day phone will be 713/636-3821. Sale headquarters is Willie's Motor Inn in Brenham, phone 713/636-7915.

Bill Jordan, Hempstead, will be the auctioneer.

A Dutch Treat party will be held at 7:30 Friday night, June 8, at Seekers Lake at Brenham for guests at the sale.

Bob Spearman, Rt. 6, Box 108, Caldwell, Texas 77886 is sale chairman. Information is available from Su-parlor Sales, Buddy Smith, Route 2, Box 846, Huotville, Texas 77840, phone 713/291-1891 or 295-4401.

Reynolds Charolais Sets Dispersal Sale For June 10

Allen, Texas - Reynolds Charolais Ranch has announced a Dispersal Sale set for Saturday, June 10, 1978. Sale time is 11:00 a.m. at the Ranch located 60 miles Northeast of Dallas/Fort Worth Airport on Hwy. 121 at Allen, Texas.

Selling in this Charolais Dispersal will be 300 lots of quality Charolais cattle including "the world's largest herd of Yates Fullbloods, Polled and Domestic Cows. This dispersal will feature the sale of 1/2 interest and full possession of the world's only Polled Charolais Super Certified Mast Sire, "One Eighty One Polled."

For catalogs and information contact Reynolds Charolais Ranch, Rt. 1, Allen, Texas 75002, 214/542-4582, or the sale management, Buzz Garay, Box F, 100 Walnut Lane, Morrisville, Pa. 18067, 215/285-6664.

Most of the cattle were vaccinated for blackleg and leptos, poured for grubs and wormed before going on pasture last fall.

For information on this offering contact Elmer Renfro, Mansfield Livestock Auction, 318/672-4582 or Norman Gallespy, Sale Chairman, 316/755-2811.

Texas Shorthorn Field Day, Election Set June 10 At Lott

The annual meetings of the Texas Shorthorn Association and of the Texas Shorthorn Ladies will be held Saturday, June 10, at the Cecil and Claire Hoelscher Ranch four miles south of Lott, Texas, on Farm Road 820.

Everyone interested in Shorthorn cattle is invited to attend.

The field day begins at 10 a.m. with a tour of the Hoelscher herd. At 12 noon a covered dish lunch will be served, with the hosts furnishing drinks, plates, and cups, but guests are asked to bring a covered dish.

At 3 p.m. the Texas Shorthorn Assn. will hold its business meeting, including annual election of officers and four directors.

The Ladies annual meeting will be at 10:30 a.m. that day.

For further information contact Mr. and Mrs. Cecil Hoelscher, phone 617/584-5808; or L. M. Haupt, TSA president, Bryan, 713/688-8034.

Wool & Mohair

National wool market review, May 18, (USDA) - Activity on domestic wool slowed this week except in Texas where fairly active trading was noted. Price levels fully steady to firm on all categories. In Texas several sealed bids were held during the period. The May 11th sale on 6 months wool in Del Rio was called off after the first few lots were offered and only 44,000 lb. of 12 months wools were sold from 80-88¢ for relatively high yielding choice 64/70S. At sealed bid offerings in Sonora, Paint Rock, Edge, Texas and Osage near \$80,000 lb. of wool offered. Paint Free 6 months 64S and 64/70S sold from \$4.54-7.50, paint branded 75-88C, fall lamb and ewe 84.75-87.75 and 12 month ranged 82-85C. At the sealed bid sale in San Antonio \$60,000 lb. of 12 months wools were offered.

With use of report these wools were sold from 79-1.08C, bulk from 88-88C with the one lot at 1.08C shirred wools. The 82,000 lb. of 8 month wools were not sold. At private treaty near \$60,000 lb. of 12 months confirmed from 70-95C, mostly 80-90C, \$40,000 lb. of 6 months at 90C. Estimated clean delivered prices for average original hgs 64S from 1.80-1.85, choice 64/70X over 8" 1.90-1.95, 80/82S 1.75-1.80.

Contracting or "fall" mohair in Texas has been confirmed on near \$60,000 lb. including adult at \$4.04, yearling 5.30 and kid at 6.50 grease FOB warehouse.

De Soto Cattleman's Association To Be Held At Mansfield Livestock Auction MONDAY, MAY 29, 1978 - 1 P.M.

An Estimate of Breeds And Weights:

Breed	400-500 lbs.	500-650 lbs.	Over 650 lbs.	Total
Hereford	20	25	85	130
Angus	20	20	20	60
Hereford	15	10	80	105
Brangus-Hereford	30	30	75	135

Most of the cattle were weaned last fall and have grazed ryegrass/wheat pasture during the winter. There will also be some calves and lighter cattle suitable for summer grazing.

The majority of these cattle were vaccinated for blackleg and leptos, poured for grubs and wormed before going on pasture. These cattle are the type and quality that makes economical gains and grade at acceptable weights.

Cowboy's Chores Become Popular Competitive Sport

(CONT. FROM PAGE 1)

of the best ropers in the country will be in Fort Worth June 3 and 4 to compete in the fifth annual Windy Ryon Memorial Roping to benefit the American Heart Association. Among them will be holders of 26 world and state roping championships.

Forty-three ropers will compete in calf roping on Saturday, June 3, and Phil Lyne and Gary Ledford will go head-to-head in a \$2,500 winner-take-all match roping. Last year's Ryon calf roping champion, Roy Cooper, will be on hand to defend his title. Cooper also won the recent Superstars calf roping.

It is the steer roping scheduled for Sunday, June 4, however, which should provide the most interest for the 15,000 fans expected to attend. Steer roping requires an overhead arena not available at most rodeos. The Windy Ryon Memorial Arena, located at the intersection of Loop 820 and Highway 287, just north of Fort Worth, was built specifically to bring the rare event to Fort Worth area fans.

Roy "Fuffy" Thompson will be defending his 1977 Ryon steer roping title. He will face stiff competition from the 89 other ropers entered in the event, including current world steer roping champion Guy Allen.

Walt Arnold, 1980 world champion steer roper, is entered in both steer and calf roping this year — but it is steer roping which he is most interested in. "Of all the rodeo events, steer roping requires more timing, skill and horse-manship," he says.

From the beginning, roping has developed into a highly technical sport, which Arnold describes as "step-by-step." It is a timed event. The roper and his horse enter the "box" and the barrier (or string) is set. When ready, the roper gives a nod and the steer, usually 550 to 750 pounds, is released. The roper drops his loop around the steer's horns, lays the "trip" from the point of the right shoulder under the right hip and moves off to the left at about a 90-degree angle.

The steer is turned around and "bedded" down as gently as possible. "It's a matter of the roper and his horse being in sync," he says. "Then you tell the steer to 'stop' and he stops. The steer must remain tied and on the ground for six seconds. The time ends when the roper given slack to his rope."

Many people think that the whole idea is to "bunt" the steer, but Arnold emphasizes that this is all wrong. "If a steer gets bunted, chances are you'll get up. And with many fees running from \$250 to \$1,000, the roper has to drop the steer right or lose money!"

"People who appreciate good horsemanship and the ability to handle a rope find steer roping their favorite event," says Arnold. "It should certainly give this year's Windy Ryon crowd a thrill."

As in past years, the proceeds from the roping will benefit the American Heart Association. More than \$34,000 has been raised over the past four years.

Competition begins at 1:30 p.m. each day. Tickets at \$5 per person each day will be available at the gate or from Amusement Ticket Service, Rodeway Inn, 111 W. Lancaster, Fort Worth, Texas, 817/395-7777. Texas-style barbecue and refreshments will be available on the grounds.

ANCA Sets Springtime Charolais Sale At Waxahachie, June 3

Waxahachie, Texas — The American Horned Charolais Assn. will hold the Springtime Charolais Sale, Saturday, June 3, 1978. Sale time is 1:00 p.m. at the Waxahachie Texas Livestock Sale Barn located on I-35E north of Waxahachie.

Selling will be 100 quality horned Charolais cattle including 10 full-French females and a top set of Charolais bulls, including several full-French herd sire prospects. There will be a select offering of 30 French influence purebred and percentage Charolais females selling.

Auctioneers will be Merrill Anderson. The sale is sponsored by the American Horned Charolais Association, P. O. Box 6520, Tyler, Texas 75711, 214/696-1456. For catalogs and information contact Jerryann

Kimbell MEDICATED FEEDS ARE MONEY MAKERS

It goes without saying that no program or type of feed can guarantee a profit on a particular set of livestock. However, it is possible to guarantee that with proper management a feeding program will make livestock more valuable — better money makers.

KIMBELL Medicated Feeds Are Designed to Improve Animal Health and Balance Nutrition

This type of program improves the appearance, gloss livestock has "good doing" look — this convinces your buyers they are "worth more."

This type of program actually makes your livestock "do better" — ward off disease and parasites adds pounds — they are "worth more."

Clem's Brahman Production Sale Set For May 26

Texarkana, Texas — Jimmy Clem's Brahman Ranch will hold its First Brahman Production Sale at the ranch at Texarkana, Texas, Friday, May 26, 1978. Sale time is 1:00 p.m. Sale headquarters will be the Howard Johnson Motor Lodge, 214/798-6565.

The sale will feature a select group of cow-bred to the imported Indu Brazil bull, Jinetta 100 and 66 cows bred to a son of McKellar's Cherokee Negro 1/882 Y, or a son of Sally Owen's, Arauto Robaton 790. There will be at least 25 calves at side by sale date.

Special guest consignors is Dr. James P. Wood, Waynesboro, Miss. A pre-sale party is set for 7:00 p.m. Thursday, May 25 at the Clem Home on the ranch.

For information contact Jimmy Clem, 214/838-7588 home, or 214/838-6561 office; James Gildon, 214/838-7258 home, or 214/798-6249 mobile; or the sale management, Watson-Blackwell Cattle Sales, Rt. 1, Box 81, Devine, Texas 76846, John H. Watson 512/663-2740, or Dean Blackwell, 214/649-6884.

DRINKING TANK PROBLEMS SOLVED

As well as all reservoirs and spray tank. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, not costed. Over 3 million pounds now in service since 1958. Stop all leaks, only size hole or crack. Prevent rust forever. A new tank properly coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only material known that prevents seepage in basement walls. Twice the hardness of concrete. Write or call for our catalog. All orders shipped same day received. This is our 25th year.

MORRIS SMITH RED BRAHMAN DISPERSAL SALE

Sunday, JUNE 4, 1978

The Sale will be held at the **L BAR D RANCH**

MABANK, TEXAS

LUNCH 12:00 — SALE 1:00
LOCATED 8.3 MILES NORTH OF MABANK ON HIGHWAY 198

SELLING:

- 40 PAIRS (Many 3-in-1 Packages)
- 15 BRED COWS
- 9 OPEN HEIFERS
- 3 PROVEN HERD SIRES
- 13 TOP QUALITY COMMERCIAL BULLS

Due to business reasons, we must disperse our herd of Red Brahman cattle. We have tried to put together a top herd of females over the past three years and the females in this sale contain the best in Cherokee, Clifford, Kabela and Garza breeding. Only in a dispersal sale would you have the opportunity to purchase some of these top females. We look forward to having you join us Sunday, June 4, the day after Hicks Red Brahman Sale.
